Management	: Agoram Muthukumaran BE (HONS) MS (USA) - Managing Director Agoram Chandrasekar ME - Director
Company Structure	: Registered Private Limited
Communication	: Phone - + (91)(4144) - 230483 230693 230763 230793 Mobile - + (91) 94422 30693 E-mail - edison@edison.co.in Website - www.edison.co.in
Year of Establishment	: 1972
Works area	: 60,000 Sq. ft built-up area in a 200,000 Sq. ft plot
Material Handling	: 60 Ton Electric Overhead Travelling Crane (EOT) with a lift of 9 metres and span of 14 metres. 10 Ton Electric Hoist & 10 Tons Chain Pulley Blocks with a lift of 7 metres and span of 14 metres. 10 Ton Electric Hoist & 10 Tons Chain Pulley Blocks with a lift of 6 metres and span of 7 metres.
Testing equipment	: Surge comparison testers, dc & ac hv test kits, automatic and manual tan delta and capacitance kits, motorized and digital meggers, digital micro-ohmmeter, partial discharge kit, transformer oil test kit, test rigs, Portable balancing & vibration analysing equipment
Machine shop facilities	: Heavy-duty lathes, horizontal borer, universal milling, radial drilling, surface grinder, planer, dynamic balancing, cylindrical grinder, hydraulic press, TIG & MIG welding, 60 ton EOT crane
HV Motors repaired	: Over 300 nos. of 3.3 KV, 125 KW - 2000 KW, 375 - 3000 RPM Over 400 nos. of 6.6 KV, 110 KW - 4000 KW, 333 - 3000 RPM Over 50 nos. of 11 KV, 1000 KW - 9600 KW, 1000 - 1500 RPM
HV Generators repaired:	: Over 75 nos. of 11 KV, 800 KW - 280 MW, 115 - 3000 RPM 13 nos. 15 KV, 134 MW - 150 MW, 3000 RPM 1 no. 15.75 KV, 210 MW, 3000 RPM 2 nos. 17 KV, 335 MW, 3000 RPM 4 nos. 18 KV, 358 MW, 428 RPM
DC Machines repaired	: Over 500 nos. up to 4500 KW, 138 - 2200 RPM
Transformers repaired	: Over 50 nos. up to 220 KV, 125 MVA
Location	: 220 KM South of Chennai, India 4 hours by road from Chennai
